Experience seamless charging with the Satechi 2-in-1 Foldable Qi2 Wireless Charging Stand. Designed for efficiency and convenience, this charger powers your iPhone and AirPods, ensuring optimal charging with new Qi2 technology. Our wireless charging stand will keep your devices powered and ready in style, whether at home or on the go.

- Latest Qi2 Technology with doubled charging speed
- Two-In-One Charging Solution
- Foldable and Travel-Friendly
- Crafted with Premium Materials
- StandBy Mode Support

Latest Qi2 Technology
The Satechi Charging Stand features the latest Qi2 wireless charging standard and provides a powerful magnetized connection. This secure alignment allows your iPhone to charge efficiently with up to 15W of power, as opposed to the 7.5W limitation of standard Qi devices. It also supports 5W charging for your AirPods.

Two-In-One Charging Solution
Forget the hassle of multiple cables. Our charger is designed to power your iPhone and AirPods simultaneously using a single cable. The magnetic charging puck and the dedicated base for AirPods simplify your charging setup, making it cleaner and more efficient. Stand boasts powerful integrated magnets that are secure enough to hold heavier phones. The improved magnetic connection ensures proper coil alignment for an optimally efficient charge.

Foldable and Travel-Friendly
Carry your charger wherever you go. This 2-in-1 charger boasts a foldable design that is perfect for travel. Lightweight and compact, it fits easily into your luggage, making it an essential accessory for your trips.

Crafted with Premium Materials
Satechi believes in quality and sustainability. This charging stand is constructed with high-quality aluminum and features a scratch-resistant vegan leather base. Durable and designed to last, it combines style with functional design.

StandBy Mode Support
Utilizing iOS 17's StandBy mode, the Satechi Charging Stand allows you to view essential notifications in landscape mode while charging. Thus, you can more seamlessly stay updated with your incoming calls and messages.
