- Titanium-infused protection
- Five-layer construction
- High-precision engineering
- Compatible with wireless charging
- Tactile button covers

Titanium-infused protection
Experience the best of smartphone defense with our titanium-infused frame. This aerospace-grade metal not only adds a touch of luxury but also provides an exceptional strength-to-weight ratio, ensuring your iPhone 18 Pro / 17 Pro remains protected without unnecessary bulk.

Five-layer construction
Monarch Pro Titanium features a sophisticated five-layer design, each carefully crafted to absorb and disperse shock. From the soft, impact-resistant core to the rugged outer cover, your device is protected from drops, bumps and everyday wear and tear.

Engineering with precision
Every curve and contour of the Monarch Pro Titanium is precisely engineered to fit your iPhone 18 Pro / 17 Pro perfectly. You'll have easy access to all ports, buttons and features while maintaining a slim profile that complements the sleek design of your device.

Compatible with wireless charging
Stay charged without compromising on protection. Monarch Pro Titanium is optimized for wireless charging, allowing you to take full advantage of your iPhone 18 Pro / 17 Pro without removing the case.

Tactile button covers
Experience responsive control with our precisely designed button covers. Each button is engineered to provide a satisfying click and maintain the tactile feedback you expect from your iPhone 18 Pro / 17 Pro, ensuring seamless use of your device.
