Baseus Wing Case for the iPhone XS Max - Black

Keep your iPhone XS Max protected without hiding its design. The Baseus Wing Case combines an ultra-thin profile with a semi-transparent matte finish that resists fingerprints. Lightweight and comfortable to hold, it follows your phone's contours while keeping ports and controls freely accessible.

- Ultra-thin, lightweight fit
- Semi-transparent matte finish
- Fingerprint-resistant surface
- Flexible polypropylene that resists yellowing
- Everyday protection with reinforced corners

Ultra-thin, lightweight fit
Add protection without unnecessary bulk. The Baseus Wing Case fits closely around your iPhone XS Max, preserving its slim feel and leaving all ports and controls easy to reach.

Semi-transparent matte finish
Let your phone's design show through. The translucent material gives your iPhone a subtle finish, while the matte texture feels comfortable in your hand.

Fingerprint-resistant surface
Keep your case looking clean throughout the day. The finely textured surface resists visible fingerprints, helping reduce smudges from everyday handling.

Flexible polypropylene that resists yellowing
Made from flexible, wear-resistant polypropylene, the Wing Case is designed for daily use. The material resists yellowing over time, helping preserve its original appearance.

Everyday protection with reinforced corners
Help protect your iPhone XS Max from scratches, scuffs, dust and dirt. Reinforced corners provide additional coverage, while a raised profile around the camera helps protect the camera area from contact with flat surfaces.

Package Includes

- 1 x Baseus Wing Case for the iPhone XS Max - Black
