- Compact and Patented MagForce Technology
- Versatile Connectivity Solution
- High-Resolution Output
- Powerful Charging Capability
- Durable and Stylish Design

**Compact and Patented MagForce Technology**
Embrace cutting-edge design with ALOGIC's Magforce Trio, featuring proprietary MagForce technology that securely encloses the adapter cable using magnetic containment. Its ultra-compact design minimizes its footprint, making it easily portable in your pocket, desk, or bag, while delivering robust performance to meet your connectivity needs.

**Versatile Connectivity Solution**
Address laptop port limitations effectively with the versatile ALOGIC Magforce Trio. This 3-in-1 adapter connects your USB-C laptop to various modern displays, including monitors, TVs, and projectors, ensuring you remain connected whether you're at home, in the office, or presenting.

**High-Resolution Output**
Experience stunning visual clarity through the Magforce Trio’s HDMI port, which supports a maximum resolution of 4K at 60Hz. This feature ensures presentations, videos, and images are rendered in exceptional detail and color, enhancing your viewing experience and boosting productivity.

**Powerful Charging Capability**
With the capability for up to 100W Power Delivery passthrough, the Magforce Trio ensures your devices, including power-hungry 16-inch MacBooks, remain powered all day. Pair it with ALOGIC’s Rapid Power GaN adapters to enjoy ample charging capacity that powers your devices efficiently.

**Durable and Stylish Design**
Built to endure the rigors of daily use, the Magforce Trio boasts a durable metal alloy casing with soft-touch TPE shielding and silicon reinforcement. Its sleek and stylish design not only looks good but ensures reliable connectivity without disruptions, handling everyday tasks effortlessly.
