Make your charging station sleek and stylish

Let our tastefully designed HiRise 3 charger beautify your nightstand or workspace. Its space-saving design, decluttered framework and Matte Black or Matte White options fit seamlessly into any space. While other chargers visibly stand out – the HiRise 3 complements your aesthetic choice.

Charge three devices with just one plug

With its 3-in-1 functionality, the HiRise 3 charges your iPhone, Apple Watch, and AirPods simultaneously with just one plug. You can even charge a second wirelessly-compatible phone! There is no need for a different plug for every device. Just one access point, and you're good to go!

Maintain a clutter-free nightstand

Minimize clutter and maximize style with the compact design of the HiRise 3 charger. One outlet, one cable conveniently charges all your primary devices, creating a minimalist vibe or freeing up space for more essentials on your nightstand.

View alerts and apps without lifting your phone

Keep track of notifications or check the time quickly as your iPhone stands upright on the HiRise 3 charger. You don't need to fumble around picking up your phone to read alerts - just a glance is all it takes.

Designed for battery life longevity

Our charger takes care of your device with over-current, over-voltage, and over-temperature protection. Delivering power 2x more efficiently than other chargers, the HiRise 3 promotes healthy battery life while ensuring fast charging.
