

Keep your essentials within reach with the innovative KeyBudz EZ Mount for AirTag. This clever device keeps track of your personal items effortlessly, ensuring you're always connected to the things you value most. Tailor-made for convenience, the EZ Mount is restickable and straightforward, ready to secure your AirTag to a multitude of surfaces.

- Easy To Mount: Hassle-free placement for on-the-go tracking
- Versatile Tracking: Maintain tabs on a broad array of items
- Innovative Restickable Design: Flexibility to reposition as needed
- Advanced Adhesive Technology: RSA for a strong, reusable bond
- Antimicrobial Technology Protection: Added shield for your health

Easy To Mount

Say goodbye to complicated setups. The KeyBudz EZ Mount makes adding your AirTag to any item a breeze. With a simple click, your tracking device secures firmly to the mount, providing robust tracking without the fuss.

Versatile Tracking

Whether you're ensuring your luggage is ready for your next trip or keeping tabs on your remote control, KeyBudz EZ Mount transforms your AirTag into a universal tracking solution. Embrace the simplicity of monitoring all your cherished items.

Innovative Restickable Design

Revolutionize the way you use your AirTag with the KeyBudz EZ Mount's restickable design. Not satisfied with the placement? Just peel it off and reapply—its dynamic design adapts to your ever-changing needs.

Advanced Adhesive Technology

At the heart of the EZ Mount is the proprietary RSA - Restickable Secure Adhesive. This renewable technology enables the mount to adhere to multiple surfaces and can be refreshed under warm water. Durability meets sustainability in one smart product.

Antimicrobial Technology Protection

We're committed to your health. That's why the EZ Mount incorporates antimicrobial technology to protect against a host of microorganisms. It's a simple extra layer of protection that brings peace of mind to your daily life.
