Effortless Plug and Play Simplicity
Experience instant connectivity without the hassle of installation. The ALOGIC USB-A Fusion SWIFT Hub is an accurate plug-and-play device, seamlessly integrating with your laptop's USB-A port. It requires no additional software or drivers, allowing you to streamline your workflow without interruptions.

Super-fast Data Transfer Speeds
Unlock the speed you need to manage your data efficiently. With the four USB-A (USB 3.0) downstream ports, each port supports a rapid data transfer rate of up to 5Gbps, making file transfers faster than ever. Say goodbye to waiting and hello to productivity.

Robust EMI Shielding for Uninterrupted Connectivity
The ALOGIC USB-A Fusion SWIFT Hub boasts end-to-end EMI shielding, expertly crafted to protect against interference from Wi-Fi and other noise sources. Enjoy a robust and reliable connection every time you plug in, thanks to the best-in-class design and engineering by ALOGIC.

Designed for USB-A Laptops
Specially designed for USB-A laptops, the 4-in-1 Hub expedites convenience by streamlining connectivity. Attach all your essential USB-A accessories, from hard drives to printers, for a fully functional workspace that caters to your operational needs.

Ultra-Compact and Highly Portable
Maintain a neat and organized desk, or carry your Hub. The ALOGIC USB-A Fusion SWIFT Hub's minimal footprint ensures a tidy workspace, while its lightweight build makes it an ideal travel companion for professionals on the go.
