Premium vegetable-tanned leather
The vegetable-tanned leather develops a richer patina over time, giving your Canopy Keychain a distinctive appearance that evolves with use.

Black PVD finish on the keyring
The metal keyring has a black PVD finish for added durability and resistance to everyday wear.

3D-moulded pocket
The compact, 3D-moulded pocket fits your Apple AirTag snugly, keeping it securely encased.

Secure magnetic closure
A built-in magnet holds the closure securely shut to help keep your AirTag in place.

Leather with a Gold environmental rating
The leather is certified with a Gold rating for environmental standards.
