Superior, Long-Lasting Construction

The ALOGIC Ultra USB-C to USB-C cable is engineered to withstand the rigours of everyday use. Integrating synthetic fibre and reinforced with flexible nylon double braiding, the cable is designed to resist all wear and tear. The sturdy metal alloy housing and thermoplastic cable head deliver maximum strain relief, significantly extending the life of your charging cable.

Efficient Charging Capabilities

Never worry about a low battery again. The ALOGIC Ultra cable supports a robust 5A current, providing the power to charge phones, tablets, laptops, and more swiftly. The quality materials and sophisticated design protect the cable's power circuit board, ensuring safe and reliable charging every time you plug in.

High-Speed Data Transfer

Keep your digital world in sync with the ALOGIC Ultra cable's impressive data transfer rate of up to 480Mbps. With this ultra-efficient connector, you can effortlessly sync photos, videos, music, and documents from one USB-C device to another, making file transfers quick and easy.

Enhanced Durability and Flexibility

Crafted to be as flexible as it is challenging, the ALOGIC Ultra cable can bend without breaking. The combination of a metal housing and double-braided nylon fortifies the cable, ensuring it's ready for whatever twists and turns life throws. This thoughtful design makes the cable a perfect companion for travel and daily use.

Comprehensive Warranty for Peace of Mind

Your investment is protected by a 2-year warranty, giving you confidence in the longevity and performance of the ALOGIC Ultra USB-C to USB-C cable. This commitment to quality assures you that you will receive a premium cable and the support to back it up.
