SATECHI

Satechi USB-C Magnetic Fast-Charging Cable for Apple Watch - Space gray

Upgrade your Apple Watch charging experience with the Satechi USB-C Magnetic Fast-Charging Cable. Designed for convenience and efficiency, this cable delivers rapid charging in a sleek and portable design, making it your perfect companion for home, office, or travel.

- Fast Charging Capability
- Magnetic Attachment
- USB-C Compatibility
- Compact and Travel-Friendly
- Durable and Reliable

Fast Charging Capability
Experience the power of quick charging with the Satechi USB-C Magnetic Fast-Charging Cable. Engineered to deliver an efficient and rapid charge to your Apple Watch, it delivers 5W of power and can fast-charge the Apple Watch Series 7/8/9/Ultra/Ultra 2. It is also compatible with AirPods Pro (2nd and 3rd Generation) and most USB-C host devices, including computers, tablets, and USB-C-based smartphones

Magnetic Attachment
The built-in magnetic attachment ensures a secure connection to your Apple Watch every time. Place your watch on the charging pad and let the powerful magnets do the rest, offering a hassle-free and consistent charging experience.

USB-C Compatibility
This charging cable features a USB-C connection and seamlessly integrates with the latest devices. It provides versatile and reliable power delivery, whether you're connecting to a USB-C wall adapter, power bank, or your computer.

Compact and Travel-Friendly
Designed with portability in mind, the Satechi USB-C Magnetic Fast-Charging Cable is lightweight and easy to carry. Its compact design makes it perfect for travel, ensuring your Apple Watch is charged wherever you go.

Durable and Reliable
Built to last, this charging cable features robust materials and a premium construction, featuring a space gray aluminum enclosure and a braided cable with a durable reinforced neck that withstands daily wear and tear.
