Ergonomic and Versatile Design

The beauty of the Clarity Folding Stand lies in its design, comfortable yet versatile. It allows your Clarity Pro Touch to transform into a tablet, making it perfect for sketching, writing, or catching up on a favourite show. Its design allows you to work in a way that suits you best.

Supports Multiple Angles

Creativity demands flexibility, and with this stand, it's just a tilt away. It allows your monitor to be angled like a drafting board or rests flat on the table to suit your creative preference. Its adaptability adds a delightful spin to your work, making it more enjoyable.

Unique 360-degree Rotating Base

Do you want to discuss your work with your teammates? Don't worry! The unique base of our Clarity Folding Stand can rotate 360 degrees, allowing you to share your screen with your colleagues with zero hassle.

Comfortable and Creative User Experience

Our Clarity Folding Stand is more than just its functionality - it's about enhancing your user experience. On one end, it provides a comfortable setup to let your creativity flow and, on the other hand, it becomes a traditional display to let you hustle through your emails in no time.

Compatible with Clarity Pro Touch monitor

The Clarity Folding Stand is specially designed for the Clarity Pro Touch monitor. Its compatibility ensures a perfect fit and hassle-free installation. Note: The monitor is sold separately.
