myFirst Camera Insta Wi - Teal

Capture life's moments effortlessly with myFirst Camera Insta Wi - Teal, a dual-lens digital camera designed for kids. This innovative device offers instant thermal printing, wireless photo transfer, and customizable label creation, providing a fun and creative outlet for children to explore photography.

- Dual-Lens for Front and Rear Photography
- Instant Thermal Printing
- Wireless Photo Transfer
- Customizable Labels
- Built-In Rechargeable Battery

Dual-Lens for Front and Rear Photography
Experience the convenience of capturing stunning photos and videos with myFirst Camera Insta Wi's dual-lens system. Equipped with a front and rear lens, young photographers can easily switch between capturing selfies and wide-angle shots without turning the camera around. This feature ensures that every shot taken is of high quality, with a 12MP digital camera that promises sharp and vibrant images.

Instant Thermal Printing
Delight in the joy of watching photos come to life instantly with the camera's inkless thermal printing capability. In just 10 seconds, captured moments are printed black and white, fostering immediate creativity and allowing kids to hold their memories in their hands right away. The fast print technology not only makes photography fun but also quick and efficient.

Wireless Photo Transfer
Say goodbye to the hassle of transferring photos manually. With myFirst Camera Insta Wi's Wi-Fi connectivity, images can be transferred wirelessly to other devices, making it simple and convenient to share and store your child's photographic adventures. This feature transforms the way photos are managed, allowing seamless integration with smartphones and other gadgets.

Customizable Labels
Unleash creativity with the ability to create and print personalized labels. Whether labeling a meal box, stationery, or creating a fun sticker, myFirst Camera Insta Wi offers a variety of templates including patterns, symbols, and icons. Adjust the icon sizes, fonts, and border styles to design unique labels that cater to various requirements, whether at home, school, or the office.

Built-In Rechargeable Battery
The myFirst Camera Insta Wi is designed for long-lasting use with a built-in rechargeable battery, allowing youngsters to capture and print on the go without worrying about running out of power. The convenience of rechargeable batteries ensures the camera is always ready for the next adventure, keeping the fun uninterrupted and uninterrupted.
