

The ALOGIC Elite 360 Laptop Stand is a premium aluminium stand designed to raise and support your laptop while giving you the flexibility of a smooth 360-degree rotating base. It fits a wide range of laptop sizes and stays stable as you work, present, or adjust your setup.

- Compatible with laptops from 11" to 17"
- 360-degree rotating base for easy screen sharing and positioning
- Anti-slip silicone pads for a stable, secure hold
- Premium aluminium build for strength and everyday durability
- Compact, lightweight design that's easy to move and place

**Compatible with laptops from 11" to 17"**

Designed to work with most 11" to 17" laptops, including popular devices such as MacBook, Microsoft Surface Laptop, and Chromebook. This makes it a practical choice for hot-desking, home offices, and multi-device environments.

**360-degree rotating base for easy screen sharing and positioning**

The rotating base lets you quickly reposition your laptop for better viewing angles, improved comfort, or to show your screen to a colleague without moving the entire stand. It's ideal for collaborative workspaces and flexible desk setups.

**Anti-slip silicone pads for a stable, secure hold**

Integrated silicone anti-slip pads help keep your laptop securely in place, including while rotating the stand. This improves stability during everyday use and helps protect your device from sliding.

**Premium aluminium build for strength and everyday durability**

Made with an aluminium construction for robust support and resistance to daily wear, while maintaining a refined, premium look. The material choice balances durability with a clean, modern finish suitable for professional setups.

**Compact, lightweight design that's easy to move and place**

With a space-efficient footprint and lightweight materials, the stand is easy to reposition between rooms, desks, or meeting spaces. It supports a tidy, adaptable workstation without adding bulk.

**Package includes:**
