- Made for myFirst Fone R1 and R1s
- Quick-release for fast, tool-free changes
- Mix and match styles with interchangeable straps
- Not compatible with other watch models
- Comfortable, kid-ready design in Naval Blue

Made for myFirst Fone R1 and R1s
Purpose-built to fit the myFirst Fone R1 and R1s perfectly, this strap ensures a snug, secure connection to the watch body. The tailored design keeps sensors and buttons unobstructed, so kids enjoy a seamless experience all day.

Quick-release for fast, tool-free changes
A simple slide is all it takes to remove or attach the strap. No tools, no fuss—just a quick, secure change that parents can do in seconds, whether replacing a broken strap or switching up the look before heading out.

Mix and match styles with interchangeable straps
Let your child express their personality. Swap colors to match outfits, activities, or moods. Interchangeable straps make it easy to keep the watch looking new and exciting without replacing the whole device.

Not compatible with other watch models
This strap is engineered exclusively for the myFirst Fone R1 and R1s to guarantee the right fit and performance. It is not compatible with other watch models.

Comfortable, kid-ready design in Navy Blue
Crafted for everyday wear, the bright navy Blue finish adds fun and visibility while offering a comfortable fit for small wrists. It's a cheerful, standout color kids will love.
