myFirst Thermal Sticker - white

Spark creativity and instant fun for kids with a playful thermal sticker camera experience. Designed for the myFirst Camera Insta series, this colorful set helps children print sharp, long-lasting sticker photos on smooth, vibrant thermal paper that is easy to handle and perfect for arts, crafts, and scrapbooks.

- Compatible with myFirst Camera Insta 2, Insta Wi, and Insta 20
- Sharp and dark image density for clear prints
- 10 years image durability for keepsake memories
- Smooth paper surface for clean, jam-free printing
- Colorful thermal sticker rolls included in pink, blue, and yellow

Compatible with myFirst Camera Insta 2, Insta Wi, and Insta 20
No guesswork or adapters needed. This thermal sticker solution is purpose-built for the myFirst Camera Insta family, ensuring a perfect fit and reliable printing performance. Kids can load rolls quickly and start printing right away, whether they are at home, in class, or on the go.

Sharp and dark image density for clear prints
Every print pops with crisp outlines and high contrast, so drawings, doodles, selfies, and snapshots look bold and easy to see. The enhanced density helps photos and stickers stand out on notebooks, water bottles, and craft projects.

10 years image durability for keepsake memories
Prints are made to last. With up to 10 years of image durability, your child's creations and keepsakes can be saved, displayed, and revisited over time without quickly fading.

Smooth paper surface for clean, jam-free printing
A refined, smooth paper surface feeds evenly through the printer to help reduce smudges, gaps, and paper jams. Kids get consistent, satisfying results with less mess and more creativity.

Colorful thermal sticker rolls included in pink, blue, and yellow
Add personality to every print with vibrant color sticker rolls. The fun trio of pink, blue, and yellow inspires imaginative themes and makes it easy to organize or decorate projects with a burst of color.

Package includes

- 3m x3 colourful patterns
