Alogic Lift 4-in-1 MagSafe Compatible Wireless Charging 10,000mAh Power Bank - White

Elevate your charging experience with Alogic's Lift, the multifaceted power companion designed to energize all your devices. This sleek, portable power bank is your go-to source for charging, whether at home or on an off-grid adventure, offering a seamless integration of wireless convenience and wired reliability encased in a stylish white design.

- 4-in-1 versatile charging solutions
- MagSafe-compatible wireless charging
- Mighty 10,000 mAh battery capacity
- Dual USB charging ports for simultaneous device charging
- Portable and ergonomic design with a handy kickstand

Versatile Charging Solutions
Alogic Lift ensures all your devices stay charged with four charging options to suit any need. It includes a USB-A port for versatile charging of old and new devices and a USB-C port for modern devices, including charging the power bank. A dedicated Apple Watch charger provides a secure, magnetic charging connection, while the MagSafe-compatible wireless charging feature offers a stand function for your convenience.

MagSafe Compatible Wireless Charging
The innovative magnetic ring included with Lift aligns perfectly with any Qi-wireless, compatible phone, ensuring a secure and efficient charging process. This feature accommodates a range of devices, including iPhones 8-11, Samsung Galaxy S7 and newer, as well as Google Pixel 3 and beyond, providing a universal wireless charging experience.

Mighty 10,000mAh Battery Capacity
With a robust 10,000mAh battery, Lift meets your daily charging needs and powers through your most demanding days. Capable of fully charging an iPhone 15 Pro Max twice and providing additional charge for gadgets like AirPods and an Apple Watch, Lift stands as the ultimate companion for extended use without the worry of finding the next power outlet.

Dual USB Charging Ports
Lift transcends wireless charging by offering fast USB-A and USB-C charging ports, capable of delivering up to 18W of power. These can quickly juice up your earbuds or e-reader or extend a helping hand to friends needing charging. When both ports are in use, each offers a stable 5W charging speed, ensuring your devices get the energy they need in a pinch.

Portable and Ergonomic Design
Compact in size and light in weight, Lift is an everyday charging solution that fits effortlessly into any lifestyle. The built-in kickstand positions your phone perfectly for hands-free viewing while charging, making it ideal for use anywhere—from a nightstand to a desk or even on a flight.
