15W Fast Wireless Charging
Stay ahead with the ALOGIC MagSafe Charger. It offers a remarkable 15W fast wireless charging feature, keeping your device powered up. Never worry about running out of battery while you navigate or make important calls.

Modular Charging Cradle
If you need to make a pit stop, slide the Car Charger out and take it with you. You can additionally buy Matrix Power Bank and swap out the wireless phone-charging block with the Alogic wireless Power Bank (MSPB5K)

Portrait or Landscape Orientation
You can seamlessly switch viewing orientation between portrait and landscape mode. This car mount makes everything effortless, whether listening to music, making hands-free calls, or accessing navigation.

Secure Magnetic Mount
Are you navigating through rough terrains? Don't worry! The ALOGIC MagSafe Charger's custom magnetic car charging cradle ensures your phone stays secure, even on the bumpiest roads. It's easy to align your phone for charging with absolute convenience.

Magnetic Ring included
The package also includes an additional magnetic ring for ease of use. This feature makes it easy for you to align and hold your phone securely in place while charging.
