Lightweight, Portable Design
The ALOGIC Metro Notebook Stand is your perfect travel companion. Its portable build allows you to effortlessly carry it to different locations, whether moving from desk to office or taking it along for remote work sessions. Set up is a breeze, providing a stable base for your laptop wherever you are.

Six Adjustable Viewing Angles
Tailor your laptop's position to suit your ergonomic needs. The Metro Stand features six different angle settings, enabling you to choose the most comfortable viewing position. Whether you’re typing an email, watching a video, or giving a presentation, you can adjust the stand for optimal viewing comfort and productivity.

Superior Grip with Silicon Pads
Equipped with strategically placed silicon pads, this stand ensures your laptop or MacBook stays securely in place. The non-slip pads prevent your device from sliding, providing you with the peace of mind to work without interruptions.

Premium Aluminium Construction
Durability meets sleek design. The ALOGIC Metro Stand is constructed with high-quality aluminium material, designed to withstand the rigours of daily use while providing a modern, stylish look that complements any device it holds.

Compatible with a Wide Range of Devices
This stand is universally compatible and built to support a variety of laptops and MacBooks. Its versatility means that whether you’re using Apple, Chromebook, or Microsoft devices, the ALOGIC Metro Stand will accommodate your specific model with ease.
