ALOGIC PRIME MX2 Universal Dock w. Dual 4K and with 100W Power Delivery - Space Gray and Black

Discover Unleashed Connectivity with ALOGIC PRIME MX2 Universal Dock w. Dual 4K and with 100W Power Delivery - your one-stop solution for seamless plug-and-play connectivity. Designed with an elegant space grey and black finish, the MX2 synergizes premium design elements and state-of-the-art features, ensuring it's the perfect addition to any workspace.

- Simplified Connectivity with DP Alt. Mode Technology
- Supports Single 5K Display with Mac
- Enables Dual 4K Display with Windows
- Employs 9 High-Performance Ports
- Robust Docking Station Purpose-Built for Versatility

Simplified Connectivity with DP Alt. Mode Technology
Connect with ease and efficiency thanks to DP Alt Mode technology. The ALOGIC PRIME MX2 streamlines multi-display set-ups by connecting up to two displays and multiple USB accessories- all with one cable. Say goodbye to complex installations; with this technology, plug-in, and you're good to go!

Supports Single 5K Display with Mac
Your Mac deserves a matching display. Double your workspace by pairing it with a brilliantly resolute 5K display simply using a single USB-C cable—Maximise work efficiency without additional wires and clutter.

Enables Dual 4K Display with Windows
Multiplying your screen space has never been easier. With the ALOGIC PRIME MX2, Windows users can connect to two 4K displays, facilitating multitasking and immersive media experiences. Form meets function with visually stunning graphics displays.

Employs 9 High-Performance Ports
Why choose when you can have it all? The ALOGIC PRIME MX2 has nine high-performance ports, each serving a unique purpose. From charging to data transfer to audio input, the MX2 promises high speed and convenience.
9 HIGH-PERFORMANCE PORTS

- USB-A 3.1 Gen 1 (5G) BC 1.2 & Apple Charging Support connects with older laptops and charges Apple devices
- USB-C 3.1 Gen 2 (10G) BC 1.2 & Apple Charging Support connects with modern laptops and charges Apple devices
- 3.5mm TRRS Audio/Microphone Jack supports quality recording and playback
- RJ45 Ethernet 1 Gbps for speedy data transfer
