myFirst Camera 10 - Blue

Introducing myFirst Camera 10 - High-quality and user-friendly camera for kids that inspires children's creativity and sustainable design in stunning blue. This lightweight and portable camera is designed to capture memories from the eyes of your child, making the world a lot more interesting and fun.

- Lightweight design for kids
- High-quality pictures
- Mountable on a tripod
- Supports significant storage capacity
- Long-lasting battery life

Lightweight Design for Kids
The myFirst Camera 10 is incredibly light at just 76 grams, fitting comfortably in the palm of a child's hand. It's suitable for children aged 4 years and above, designed to add joy to their learning and photo-taking experience.

High-Quality Pictures
Equipped with a 5MP camera and a 2-inch IPS color screen, the myFirst Camera 10 captures stunning HD photos. Children can store these high-quality images with support for a memory card up to 32GB.

Mountable on a Tripod
For budding young photographers, the myFirst Camera 10 can be easily mounted on a tripod. It also doubles as a webcam, allowing kids to explore and capture their world with endless creativity.

Supports Significant Storage Capacity
With the ability to support a memory card up to 32GB, your child will have ample space to store numerous photos and videos, ensuring they capture every memorable moment.

Long-Lasting Battery Life
The camera is equipped with a 1000 mAh lithium-ion battery, providing approximately 150 minutes of photo-taking fun time. Charging is convenient with the DC-5V Type-C interface.

Package Includes

- myFirst Camera 10 - Blue
- User Manual
- Type-C Cable
