ALOGIC Rapid Power 20W GaN Charger w. USB-C - Space gray

Experience cutting-edge technology and portability with the ALOGIC Rapid Power 20W GaN Charger w. USB-C is designed to power up your devices faster and more efficiently. A necessity for the modern professional on the go, this charger redefines convenience and performance.

- Rapid charging with 20W output
- GaN technology for efficient power transfer
- Extremely compact and portable design
- Universal compatibility for all USB-C devices
- Certified safety with comprehensive protection

Rapid charging with 20W output
The ALOGIC Rapid Power charger offers 20W of power, enabling fast and efficient charging for your devices. Your tablet or smartphone will be ready for action in no time, thanks to the latest USB-C Power Delivery technology, whether for a quick power boost or a complete charge.

GaN technology for efficient power transfer
Utilizing groundbreaking GaN charging technology, this charger outperforms traditional options, supplying power more efficiently and in a significantly smaller package. Remarkably compact, this charger is a powerhouse, providing all the energy your devices demand without the bulkiness of standard chargers.

Extremely compact and portable design
The ALOGIC Rapid Power is your ultimate travel companion. Say goodbye to many bulky chargers and embrace this single, sleek, and portable solution. It's 50% smaller than traditional chargers, making it easy to carry and perfect for on-the-go charging. It fits unobtrusively in any laptop bag or travel case.

Universal compatibility for all USB-C devices
Designed to be versatile, the ALOGIC Rapid Power charger works seamlessly with all USB-C-powered devices. From tablets and smartphones to other USB-C gadgets, this charger adapts to each device's power needs, offering a safe and efficient charge every time.

Certified safety with comprehensive protection
Safety is paramount, and the ALOGIC Rapid Power Charger has been rigorously tested to ensure it meets and exceeds all safety standards. Features such as overcurrent, overvoltage, short circuit, and overtemperature protection give you peace of mind that your devices are charging in the safest possible manner.

Package includes

- ALOGIC Rapid Power 20W GaN Charger w. USB-C - Space Grey
- User manual

Product specifications

- Colour: Space Grey
- USB-C Power Delivery with up to 20W output
- Utilizes GaN charging technology
- 50% smaller than traditional chargers
- Meets and exceeds all international regulatory standards
- Features safety functions like over-current, over-voltage, and short-circuit protection
