30W Fast-Charging Capacity

In line with the USB-C Power Delivery standards, the ALOGIC Rapid Power Car Charger swiftly juices up your devices, maximizing charging speeds while ensuring safety. You can even use it on the go to power your MacBook Air or an energy-efficient Ultrabook.

Dual Charging Ports

The charger is equipped with both a USB-C and a USB-A port, making it highly versatile. These ports are designed to deliver fast charging capabilities, meaning you'll never have to worry about battery life for your devices again.

Compact and Portable Design

With a length of less than 4cm, this space grey car charger is a stylish addition to your dashboard. Its lightweight and compact design make it the perfect companion on road trips, holidays, or business trips - you'll barely notice it's there.

Safety Features

The ALOGIC Rapid Power Car Charger incorporates USB-C PD's robust safety features, automatically selecting the ideal safe voltage to shield your device from potential harm while maximizing charging efficiency.

Simultaneous Dual Charging Potential

No more front and back seat charging squabbles. With its ability to deliver 12W fast charging to both USB-C and USB-A ports simultaneously, everyone's devices can be powered up at the same time.
