SATECHI

Satechi Wireless Charging Dock for AirPods - Space gray

Satechi takes charging to the next level with its sleek and efficient Wireless Charging Dock for AirPods. As the name implies, this dock is designed specifically for Apple AirPods, ensuring a secure fit and fast charging. With an integrated USB-C connection, seamless wireless charging, and discreet design, power up your AirPods effortlessly and declutter your workspace with Satechi.

- Designed for Apple AirPods
- Eliminates Messy Cables
- Simplifies Wireless Charging
- Sleek, Aluminum Design
- USB-C

Designed for Apple AirPods
The built-in wireless charger is tailor-made for your Apple AirPods Pro and AirPods 2/1 with a wireless charging case. It powers your AirPods at full speed and features an indicator light and grooved edges to keep them in place.

Eliminates Messy Cables
The direct USB-C connection eliminates tangled cables, providing an efficient and neat charging solution for your workspace.

Simplifies Wireless Charging
Recharging your AirPods is a breeze with this dock. Connect it to a powered Type-C port, place your AirPods on the dock, and the LED light will illuminate to indicate charging.

Sleek, Aluminum Design
Compact but sophisticated, the dock's aluminium finish perfectly matches your modern workspace aesthetics. It's a sleek and practical addition, adding both style and convenience.

USB-C
The dock features a USB-C connector, allowing easy integration with any powered Type-C device, making charging seamless.
