Enhance your mobile lifestyle with the ALOGIC Roam 21,000mAh Power Bank, combining versatile charging solutions with ultimate portability. Perfect for your next adventure, this power bank ensures that all your essential devices stay powered up wherever you go.

- Powers Everything That Matters
- Perfectly Portable
- Multi Charging Capabilities
- Superior Safety and Compatibility
- Comprehensive Device Support

Powers Everything That Matters
Designed to keep all of your important devices charged, the ALOGIC Roam Power Bank features three USB-C charging ports (including built-in cable and fast wireless charging. Whether you're on a long flight or a weeklong trek, its 21,000 mAh battery supports uninterrupted power for your gadgets.

Perfectly Portable
The power bank’s compact, cornerless, fold-up design means it easily slips into any travel bag, and its unique, built-in USB-C cable ensures you’ll never misplace your charging connector again. The foldable design integrates cables and charging modules into a single compact unit for travel convenience.

Multi Charging Capabilities
Alogis Roam Power Bank ability to fast charge a phone, earbuds, and Apple Watch simultaneously while also recharging a laptop makes it your all-in-one charging solution. Plus, with multiple ports and a wireless charger, you can power almost any device you carry. Supports simultaneous charging via USB-C ports, Qi2 wireless charging, and integrated Apple Watch charger.

Superior Safety and Compatibility
Safety is at the forefront with Roam since it is compliant with international air travel guidelines for carry-on power banks. The built-in battery indicator keeps you informed about remaining power, and its design includes snap-on phone and Apple Watch chargers for effortless charging. 77Wh capacity complies with airline carry-on limits (IATA).

Comprehensive Device Support
From iPhones to Androids, MacBooks to tablets, and more, Roam Power Bank supports a variety of devices thanks to its compatibility with Thunderbolt/USB-C PD and MagSafe technology. Enjoy fast, reliable charging whether your device supports 100W USB-C, Qi wireless, or any other format Roam supports. Compatible with USB-C PD laptops, Qi2-enabled smartphones, Apple Watch, and other USB-powered devices.
