# ALOGIC Ultra USB-C to USB-A Adapter, 15 cm - Silver

Turn your everyday devices into dependable performers. This premium ALOGIC adapter bridges USB-C devices to your USB-A accessories for fast data transfer and reliable charging, all in a compact 15 cm design built to last. Crafted for durability with metal alloy housing and double braided nylon, it is the everyday essential for work, travel, and home.

- Super Ultra-rugged construction for long-lasting reliability
- Fast USB 3.1 Gen 1 data transfer up to 5 Gbps
- Up to 3 A charging for phones and accessories
- Premium metal alloy housing with TPE strain relief and braided nylon
- Compact 15 cm design, lightweight and travel ready

**Super Ultra-rugged construction for long-lasting reliability**
Engineered for everyday use, the adapter features a strengthened cable core reinforced with synthetic fibre and protected by flexible double braided nylon. This robust build resists wear and tear from bends, tugs, and travel, delivering a longer lifespan and dependable performance.

**Fast USB 3.1 Gen 1 data transfer up to 5 Gbps**
Move files, photos, and videos quickly with USB 3.1 Gen 1 speeds up to 5 Gbps. Whether you are backing up content or syncing between devices, you will enjoy smooth, efficient transfers without slowing down your workflow.

**Up to 3 A charging for phones and accessories**
Power your USB-C devices from a USB-A port with up to 3 A of current. Keep your phone, earbuds, and other accessories topped up while you work or travel, using the ports you already have.

**Premium metal alloy housing with TPE strain relief and braided nylon**
Every component is designed for durability. The metal alloy housing resists scuffs and dings, while the thermoplastic elastomer strain relief reduces stress at the cable joint. The double braided nylon jacket adds extra protection and a refined finish that complements any setup.

**Compact 15 cm design, lightweight and travel ready**
At just 15 cm in length, this adapter is easy to carry and perfect for clean, uncluttered setups. It slips into any pocket or pouch and is ready whenever you need a quick connection between USB-C devices and USB-A accessories.
