Effortless Plug-and-Play

The ALOGIC Ultra USB-C to DisplayPort Adapter thrives on simplicity. With no drivers or software to install, the reversible USB-C connector offers hassle-free connectivity. An intelligent LED indicator signals connection status, letting you know when your device can transmit high-quality video and audio.

Superb 4K Resolution

Experience visuals like never before with the adapter's support for resolutions up to 4K Ultra HD (3840 x 2160). Whether working on detailed graphics, enjoying the latest movie, or playing a cutting-edge game, the adapter ensures that your content looks crisp, vibrant, and accurate to life at 60Hz.

Premium Aluminum Design

Crafted from high-grade materials, the ALOGIC Ultra USB-C to DisplayPort Adapter boasts a unibody aluminium design that not only exudes elegance but also ensures durability for long-term use. Its robust construction is designed to withstand the rigours of daily wear and tear, providing a reliable connection time and time again.

Enhanced Portability

Take your visual workspace anywhere with this highly portable adapter. Its compact size and lightweight build make it an ideal companion for on-the-go use, easily fitting into your laptop bag or carrying case. The ALOGIC Ultra Adapter ensures that you have a powerful display connection at your fingertips, no matter where you are.

Thunderbolt 3 Compatibility

Maximize the potential of your Thunderbolt 3 ports with this versatile adapter. It offers broad compatibility, flawlessly interfacing with all major brands, including Apple, HP, Dell, Lenovo, and more. Its compatibility extends to any USB-C device with DisplayPort pass-through capabilities, making it a universal solution for your connectivity needs.
