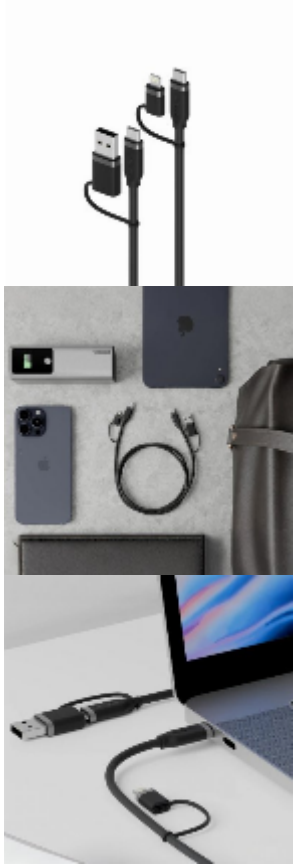
ALOGIC Elements Silicone 4-IN-1 USB 2.0 Cable - Black



The ALOGIC Elements Silicone 4-IN-1 USB 2.0 Cable is designed to simplify your life by providing multifunctional connectivity in one compact package. This cable combines versatility, durability, and convenience, ensuring you always have the proper connection for any device.

- Versatile Connectivity
- Compact and Portable Design
- Durable Silicone Material
- Universal Compatibility
- Efficient Data Transfer

Versatile Connectivity
The ALOGIC Elements Silicone 4-IN-1 USB 2.0 Cable offers versatile connectivity with four interchangeable connectors. Effortlessly switch between USB-A, USB-C and Lightning connectors, allowing you to charge and sync a wide range of devices with a single cable.

Compact and Portable Design
This cable's 1.5m length, designed for convenience, makes it perfect for on-the-go use. Its compact size ensures it fits seamlessly into your bag or pocket, so you'll never have to deal with tangled cords or messy storage when travelling or commuting.

Durable Silicone Material
Crafted from high-quality silicone, this ALOGIC cable is built to withstand the rigours of daily use. Its flexibility makes it resistant to tangling and damage, extending the cable’s lifespan and providing a smooth user experience.

Universal Compatibility
The ALOGIC Elements Silicone Cable is compatible with myriad devices. Whether using a smartphone, tablet, or other USB-enabled gadgets, this cable provides a seamless connection, making it an essential accessory for tech enthusiasts.

Efficient Data Transfer
Beyond charging, this cable supports efficient data transfer of 480 Mbps between your devices. Sync your files, music, and pictures more quickly and reliably without compromising speed or performance.
