ALOGIC USB-C and USB 3.0 Dual Display Full HD Docking Station - Black

Transform your laptop into a fully capable workstation with the ALOGIC USB-C and USB 3.0 Dual Display Full HD Docking Station. This versatile dock allows you to connect two Full HD monitors and various other devices, offering unparalleled productivity and efficiency for your workflow.

- High-Definition Dual 1080p Display Support
- Universal Compatibility
- Extensive Port Availability
- Simple Installation with DisplayLink Drivers
- Robust Design and Warranty

High-Definition Dual 1080p Display Support
Expand your visual workspace by plugging in two HDMI monitors, each supporting a crystal-clear 1920 x 1080 resolution at 60Hz. Enhancing your laptop's display capabilities allows you to simultaneously work on multiple tasks without the hassle of window switching, boosting your multitasking abilities and overall productivity.

Universal Compatibility
The ALOGIC Docking Station transcends the divide between laptop brands and operating systems. Whether you use a Windows-based laptop or a Mac computer, this docking station seamlessly integrates into your setup. It's a universal solution to elevate your computing experience, no matter your choice of technology.

Extensive Port Availability
Never worry about the need for additional connectivity options. This Docking Station has a USB-C 3.1 Gen 1 port, a USB-A 3.0 port with Battery Charging 1.2, three additional USB-A 3.0 ports for fast data transfer, an audio/microphone jack, and a Gigabit Ethernet port. This robust array of ports invites a wide range of peripherals to come together in harmony.

Simple Installation with DisplayLink Drivers
Setting up the ALOGIC Docking Station is a breeze—simply download the DisplayLink drivers from the provided link to enable the device's full functionality. With the drivers installed, you'll unlock your dock's full potential, ensuring stable and efficient connectivity for all compatible devices.

Robust Design and Warranty
Crafted with durable ABS materials, the docking station is built to last. It also includes Kensington Lock Slot & Nano Lock Slot points for securing the station, adding a layer of safety in shared work environments. ALOGIC stands behind the quality of this product with a 2-year warranty, ensuring you can rely on this docking station day in and day out.
