# ALOGIC USB-C Fusion MAX 6-in-1 Hub V2 HDMI, USB, Ethernet & PD – Space Grey

The ALOGIC USB-C Fusion MAX 6-in-1 Hub V2 is the quintessential companion for USB-C-enabled devices, offering unmatched utility and seamless connectivity. Crafted in a sleek Space Grey finish, this hub expands the capabilities of your MacBook, iPad, or Windows/Android devices and complements their design elegantly.

- Effortless connectivity with 6-in-1 versatility
- Stunning 4K HDMI Video Output
- SuperSpeed Data Transfer and Charging
- Advanced Power Delivery up to 100W
- Reliable Gigabit Ethernet connection
- Portable design with smart cable management

**Effortless Connectivity with 6-in-1 Versatility**
The ALOGIC USB-C Fusion MAX 6-in-1 Hub V2 enables extensive versatility for your USB-C laptop, tablet, or phone. This hub accommodates all your connectivity needs with an HDMI 4K output, VGA port, USB-C data transfer and charging port, dual USB-A ports, and a Gigabit Ethernet port. A smart cable management system allows easy organization, ensuring a clutter-free workspace.

**Stunning 4K HDMI Video Output**
Elevate your viewing experience to cinematic levels with the HDMI port supporting up to 4K@60Hz resolution. Whether mirroring or extending your laptop's display, the ALOGIC hub ensures crystal-clear visuals on a larger screen, perfect for high-definition presentations, streaming, or gaming.

**SuperSpeed Data Transfer and Charging**
The ALOGIC hub is engineered to facilitate rapid data transfers up to 5Gbps via its USB-C (3.1 Gen 1) and USB-A (USB 3.0) ports. This swift transfer rate enables you to manage files and back up data in a fraction of the time. Additionally, with up to 2A of charging current, it powers your mobile devices effectively.

**Advanced Power Delivery up to 100W**
Stay at the top of your game with the hub's advanced power delivery system. Providing up to 100W through the USB-C port ensures your main device is charged and ready to go without compromising data transfer functionality.

**Reliable Gigabit Ethernet Connection**
The ALOGIC hub offers a Gigabit Ethernet port to establish a secure, wired internet connection for situations where wireless reliability is crucial. Enjoy swift and steady network speeds for uninterrupted work, downloads, and streaming.

**Portable Design with Smart Cable Management**
The compact and lightweight design of the hub, paired with its smart cable management feature, allows for easy portability. Perfect for on-the-go professionals, the ALOGIC hub is also an ideal addition to any stationary workspace.

**EMI Shielding**
Like all ALOGIC products, the hub has been designed and engineered for best-in-class performance. To enable this, the hub has end-to-end EMI shielding to eliminate all interference from Wi-Fi and other wireless transmissions.

**Package Includes**

- 1 x ALOGIC USB-C Fusion MAX 6-in-1 Hub V2 HDMI, USB, Ethernet & PD – Space Grey
- 1 x User Manual

**Product Specifications**

- Data Rate: USB 3.1 Gen 1 up to 5Gbps
- Weight: 80g
- Material: ABS housing
- Physical Dimensions: 336mm(L) x 51mm(W) x 14mm(H) (Length includes cable)
- Output Ports: HDMI 4K@60Hz, VGA 1080p, USB-C 3.1 Gen 1, 2 x USB-A with BC 1.2 charging, RJ45 Gigabit Ethernet
- Input Port: USB-C Male
- Compatibility: USB-C and Thunderbolt 3/4 devices with video output capability
- Device Compatibility: Compatible with Apple, Chromebook, and Microsoft devices.

## SPECIFICATIONS

Carton: 1/80
Item ID: UCFUPRGVV2-SGR
EAN: 9350784025302
Size: 150 x 25 x 100 mm
Weight: 130 g

## Recommended price
