Bluetooth 4.0 Connection
The Satechi M1 Mouse fosters wireless control over your digital environment. Enabled through a Bluetooth 4.0 integration, you can effortlessly connect to your essential devices. With a range of up to 32 ft., move around freely without breaking the connection. The convenience and efficiency of the M1 transcend operating systems, supporting both Mac and Windows OS.

Fast, Precise Tracking
Experience smooth web browsing and fast data entry with the M1's optical sensors. Offering precise tracking and quick scrolling, this device enhances your productivity. The natural extension of your device, the M1 further simplifies commands with soft-touch navigation buttons and an aluminium scroll wheel.

Rechargeable Type-C Port
Outfitted with a handy Type-C recharging port, the M1 wireless mouse accords you the freedom from single-use batteries. With the ability to quickly charge, your activities will never be interrupted by a drained battery. A Type-C to Type-A charging cable is conveniently included in your purchase.

Modern, Ergonomic Design
Embracing a comfortable user experience, the M1 mouse's ergonomic design ideally fits within the palm. Tailored for both right and left-handed users, it ensures a comfortable grip. With an added aesthetic touch, its brushed aluminium finish complements your modern desk setup.

Color Options
Satechi M1 mouse is available in a variety of colors including silver, space gray, gold and rose gold. Choose a color that matches your desk setup or simply one that suits your preference.
