Fast Apple Watch Charging
Charge your Apple Watch quickly and get on with your day without missing a beat. The ALOGIC Matrix Universal Apple Watch Charger ensures you spend less time tethered to an outlet and more time enjoying the smart features of your watch.

Officially Certified for Apple Watch
With certification from Apple, be assured that you're receiving a product tailored to meet the high standards of performance and safety required for your Apple Watch. The ALOGIC Matrix Universal Apple Watch Charger is engineered to pair perfectly with all Apple Watch models.

Detachable USB-C Design
The charger’s detachability not only streamlines its use but also enhances portability. Thanks to its compact form, measuring less than 4CM, the ALOGIC Matrix Universal Apple Watch Charger can be easily stored in your bag or pocket.

Travel-Friendly Size
Ideal for those who are always on the move, this charger’s travel-friendly size means your Apple Watch can receive the boost it needs from virtually anywhere. Don't let your adventures be tethered to charging outlets anymore.

Connects to Multiple Devices
Versatility is key, as the ALOGIC Matrix Universal Apple Watch Charger connects effortlessly to Matrix Charging Docks, Matrix Power Banks, and almost any USB-C port you encounter—your laptop, car, or airport terminals.
