ALOGIC Ultra Power 3-in-1 Wireless Charging Dock - Space gray

Power, simplicity, and style in one elegant dock. The ALOGIC Ultra Power 3-in-1 Wireless Charging Dock is your all-in-one charging solution for iPhone, AirPods, and Apple Watch. With Qi-certified wireless charging, premium materials, and an intuitive design, it keeps your essentials powered and your space beautifully organized at home or at work.

- Charge up to four devices at once
- Multi-coil wireless charging for easy placement
- Premium metal and fabric design
- Intelligent LED indicators
- Certified safe and Qi compliant

Charge up to four devices at once
Designed around the Apple ecosystem, the dock wirelessly charges two Qi-enabled devices at the same time, such as your iPhone and AirPods. A dedicated mount powers your Apple Watch when you insert your existing charging puck, while a USB-A port delivers 5 V/2.1 A for the Watch charger or another accessory. It's the simple way to keep your daily carry ready to go from one compact base.

Multi-coil wireless charging for easy placement
The advanced MultiCoil array gives you freedom to place your iPhone or AirPods case naturally without hunting for a precise spot. Just set your device down near the Qi logo and charging starts reliably across a wide area, reducing fuss and keeping your routine seamless.

Premium metal and fabric design
Crafted from a durable metal alloy with a textured woven fabric surface, the dock looks as good as it performs. The Silver Gray finish blends effortlessly into modern desks, nightstands, and shared spaces while resisting wear from everyday use.

Intelligent LED indicators
At-a-glance LEDs show charging status for devices on the pad. The indicators are subtle by design, bright enough to inform and gentle enough not to disturb your sleep on a bedside table.

Certified safe and Qi compliant
Backed by rigorous testing and Qi certification, the Ultra Power 3-in-1 Dock meets and exceeds local and international standards for safety, interoperability, and energy efficiency. Enjoy reliable, efficient charging with peace of mind.

Package includes

- Ultra Power 3-in-1 Wireless Charging Dock - Space Grey
- Power adapter
- AU, EU, UK, and US plug heads
- User manual

Product specifications

- Brand: ALOGIC
- Compliance: Qi certified
