

Welcome to the next generation of convenience and elegance with the Twelve South ButterFly travel charger. Perfect for the on-the-go lifestyle, this sleekly designed charger ensures your iPhone and Apple Watch are powered up wherever your adventures take you. Now, traveling doesn't mean leaving behind the luxury of full batteries and stylish, functional accessories.

- Transformative design for space-saving travel, as small as AirPods Pro case
- Two-in-one wireless MagSafe charging capability
- Charge and display your iPhone and Apple Watch in style
- Crafted with anodized aluminum like Macbooks and vegan leather
- Includes international plug adapters and a bag

Transformative Design for Space-Saving Travel

Embrace the simplicity and brilliance of the Twelve South ButterFly travel charger, the world's most compact solution for charging needs. Designed with mobility in mind, it folds into dimensions that rival the AirPods Pro case. Ready to accompany you everywhere, this portable charger unfolds to reveal a MagSafe charger for your iPhone and a dedicated spot for your Apple Watch.

Two-in-One Wireless Charging Capability

Stay fully charged without the bulk. The ButterFly travel charger by Twelve South eliminates the need for multiple cables and docks, offering a MagSafe charger for iPhone and a magnetic fast charger for Apple Watch in one seamless package. Made for those who appreciate efficiency and elegance, it lets you charge both devices simultaneously.

Charge and Display Your iPhone and Apple Watch in Style

Not only does the Twelve South ButterFly charger provide power, but it also doubles as a chic stand. Position your iPhone to enjoy StandBy mode during work or entertainment sessions. Tilt the magnetic charger for your Apple Watch to activate Nightstand mode. All this while offering a sleek design that complements your space and devices.

Crafted with High-Quality, Durable Materials

Exuding sophistication, the ButterFly travel charger is built with a durable anodized aluminum shell that harmonizes with your MacBook. Unfold it to discover a gentle touch of luxurious vegan leather that keeps your devices scratch-free while charging. The braided USB-C cable adds an extra touch of elegance and resilience.

Equipped for Global Adventures

Never fret about charging your devices when traveling internationally. The Twelve South ButterFly travel charger includes a 30W USB-C Power Adapter and four international plug adapters, ensuring you're equipped for any standard wall outlet worldwide. Together with its resilient build and all these travel-ready essentials, the charger is as global as you are.
