SATECHI

Satechi USB-C Magnetic Charging Dock - Space gray

Designed to keep your Apple Watch powered wherever you go, Satechi's USB-C Magnetic Charging Dock features an inbuilt magnetic charging module for full-speed charging. Ensuring an effortless connection to any powered USB-C port, its sleek, ultra-portable design makes it your ultimate charging companion, providing seamless functionality and style.

- Designed explicitly for the Apple Watch
- Perfect for on-the-go charging
- Worry-free charging guaranteed
- Features a sleek aluminium design
- Compatibility with several Apple devices

Designed specifically for the Apple Watch
The USB-C Magnetic Charging Dock is tailor-made for your Apple Watch, regardless of size. It has a built-in magnetic charging module that speeds up your Apple Watch when connected to any powered USB-C port.

Perfect for On-The-Go
Compact in size and designed with a detachable USB-C cable, Satechi's Magnetic Charging Dock is the perfect accompaniment for your on-the-go lifestyle. Carry it anywhere you go – it's as suitable for office settings as travel.

Worry-Free Charging
Enjoy the resolution of worry-free charging with our Magnetic Charging Dock's MFi certification. Offering guaranteed compatibility, it aligns perfectly with all Apple Watch models.

Sleek Aluminum Design
With a modern space grey aluminium finish, this charging dock not only charges your device but does it in style. It's designed to complement your Apple Watch and MacBook accessories seamlessly.

Compatible Devices
Engineered for versatility, the charging dock embraces a range of Apple devices, from the Apple Watch Series 1 to 10, SE, Ultra, Ultra 2 to 3rd-4th Gen AirPods with MagSafe.
