Premium marine-grade stainless steel with a DLC coating
The Spectra Series uses Marine-Grade 316L stainless steel, trusted for strength and corrosion resistance, finished with a Diamond-Like Carbon (DLC) coating to resist scratches and keep a brilliant, long-lasting appearance. This combination ensures the band looks sharp whether you're in the office or outdoors, and maintains its luster over time.

One-click deployant clasp for smooth, secure wear
Experience quick and easy fastening with a secure, confident clasp. The one-click deployment mechanism provides a seamless, tool-free way to put on and take off the band while protecting the band from daily wear and tear.

Custom fit adjustment—no tools required
Achieve a precise, comfortable fit with simple, tool-free sizing. The Spectra Series is designed to be adjusted quickly so you can tailor the length to your wrist without any extra hardware or accessories.

Refined, low-profile silhouette that's comfortable all day
Designed to complement the Apple Watch without overpowering it, this band offers a sleek, refined aesthetic. The smooth lines and comfortable fit make it ideal for daily wear, travel, or special occasions.

Designed to upgrade your Apple Watch look for any occasion
Whether you're at a business meeting or enjoying a weekend adventure, the Spectra Series band adds a touch of sophistication and resilience. It's more than an accessory—it's a statement of style and performance.
