Transforms Your Apple iPad Pro
With the Satechi Aluminum Stand Hub, your iPad Pro becomes a functional workstation. It features USB-C PD charging, USB-A data, 4K HDMI, micro/SD card readers, and an audio jack port; all essentials you require to complete the job without needing a desktop.

4K HDMI Display
Experience high-resolution viewing with the hub's 4K HDMI port. Whether you need a second monitor or want to stream your favourite TV show, the hub delivers; it only requires a direct HDMI connection.

Elevates & Protects Your iPad Pro
The Aluminum Stand Hub doesn't just provide functionality; it also takes care of your iPad Pro. Adjustable hinges allow an optimal angle for your device, whether for video calling or sketching. Plus, its protective padding keeps your device in place while preventing scratches.

Foldable and Compact Design
Stylish and easy to carry, the Satechi Aluminum Stand Hub complements your modern lifestyle. Its foldable design ensures it's perfect for work, travel, or any other situation requiring your iPad Pro.

Multiple-Port Hub
The hub combines a tablet's convenience with a desktop's capabilities. It supports USB-C PD charging, 4K HDMI, USB-A data, SD card readers, and an audio jack port, making it a comprehensive solution for all your connectivity needs.
