Take your AirPods' protection to the next level with the KeyBudz Elevate Series Keychain. This sleek, Lavender accessory is designed to keep your AirPods 4th Generation safe from daily wear and tear while adding a touch of style to your everyday carry.

- Durable protection for AirPods 4th Generation
- Lightweight and pocket-friendly design
- Secure fit with anti-slip coating
- Precise cutouts for sensors and charging
- Convenient keychain attachment

Durable Protection
The KeyBudz Elevate Series Keychain is engineered from impact-absorbent elastomer, providing lightweight protection and durability. This rugged little companion shields your AirPods from bumps and bruises, ensuring they stay safe during your daily adventures.

Lightweight and Pocket-Friendly
Don't let its protective capabilities fool you – the Elevate Series Keychain is designed to be lightweight and pocket-friendly. Slip it into your pocket or bag with ease, knowing your AirPods are always protected without adding unnecessary bulk.

Secure Fit with Anti-Slip Coating
Keep your AirPods case securely in place with the Elevate Series Keychain's anti-slip coating. The specially designed lid ensures a snug fit, preventing accidental openings and keeping your AirPods safe inside.

Precise Cutouts for Sensors and Charging
Enjoy the full functionality of your AirPods with precise sensor cut-outs. The Elevate Series Keychain is compatible with wired and wireless charging options, making it convenient to power up your AirPods without removing the case.

Convenient Keychain Attachment
Clip, carry, and go with the built-in keychain attachment. Attach your AirPods to your keys, bag, or belt loop to keep them within easy reach. The Elevate Series Keychain ensures your AirPods are always by your side, ready for use whenever needed.
