Wireless charging compatibility

Vegetable-tanned eco leather
Crafted from vegetable-tanned eco leather that meets Gold-rated environmental standards, the Echelon case develops a rich patina over time, adding character with everyday use.

Easy access to essential functions
A front LED cutout keeps the charging indicator visible, while a moulded side button allows easy pairing. A cutout at the base leaves sound alerts unobstructed, and the design provides easy access to your earbuds.

Secure clip and lanyard attachment
Use the robust attachment clip to fasten the case to your keys, bag or another convenient attachment point. A side opening also allows you to attach a lanyard for added security.

Precise fit for AirPods Pro
Designed to fit AirPods Pro (1st & 2nd generation) charging cases snugly and securely, the Echelon adds a protective layer while keeping essential functions accessible.
