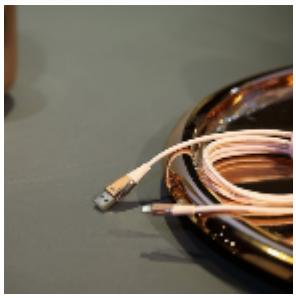
Just Mobile ZinCable Lightning cable 1.5m - Rose gold



Experience the pinnacle of charging technology with the Just Mobile ZinCable, forged to deliver unparalleled durability and speed for your iPhone and iPad. Designed for the discerning user, the Just Mobile ZinCable blends exceptional strength with a sleek, modern aesthetic, ensuring a reliable and stylish charging solution.

- Faster data transfer
- Enhanced durability
- Sculpted zinc alloy connectors
- Advanced cable construction
- Distinctive design and cable management

Faster Data Transfer
The Just Mobile ZinCable revolutionizes charging and data syncing, providing an accelerated transfer rate that outpaces standard cables by 30%. Enjoy swift update processes and quicker data management to keep pace with your mobile lifestyle.

Enhanced Durability
Constructed to withstand the rigours of daily use, the Just Mobile ZinCable boasts a robust design that is ten times more durable than standard cables. Reliability is at the core, ensuring your devices stay charged day in and day out without fail.

Sculpted Zinc Alloy Connectors
Marrying form and function, the exquisitely crafted zinc alloy connectors are not onand feature an ergonomic thumb rest for a seamless plug-in experience. These sculpted connectors make every interaction with the ZinCable a pleasure.

Advanced Cable Construction
Built to endure, the Just Mobile ZinCable integrates a tough braided fibre exterior and a resilient Kevlar® fibre core. The TPE jacket resists fractures, ensuring the cable flexes without compromising integrity. Anti-mold, anti-stain, and anti-bacterial materials keep the cable fresh and long-lasting.

Distinctive Design and Cable Management
Sophistication meets utility in the Just Mobile ZinCable's striking black and silver pattern. Not only does it elevate your charging setup's aesthetics, but it also includes an exclusive cable tie for the unrivalled organization. Adjust the length and store your cable neatly, maintaining a tidy and protected connection wherever you go.
