Keybudz PawTag Pet Collar Mount for Airtag - Black

Keep your pet safe and stylish with the Keybudz PawTag Pet Collar Mount for Airtag. Designed for the ultimate pet-tracking convenience, this slim profile mount integrates seamlessly with your pet's collar, ensuring that you always know their whereabouts, whether they're at home, exploring the trails, or playing at the beach. The Keybudz PawTag offers a covert and comfortable solution for housing your AirTag, providing peace of mind for every pet owner.

- Real-time Tracking
- Slim Profile Design
- Secure AirTag Shielding
- Location Alerts
- Easy Integration with FindMy Feature

Real-time Tracking
Confidently track your pet's every movement in real-time. The Keybudz PawTag allows you to monitor your pet's location via FindMy, whether they're lounging at home, running through the trails, or enjoying a swim at the beach, giving you peace of mind at all times.

Slim Profile Design
With its slim profile design, the Keybudz PawTag provides a covert and comfortable solution that won't bother your pet. The minimalist design ensures that the mount is functional and discreet, blending seamlessly with the collar.

Secure AirTag Shielding
PawTag safely shields the AirTag inside the mount, preventing any accidental removal by your pet. This ensures that the AirTag stays securely in place, maintaining continuous tracking and location monitoring.

Location Alerts
Receive instant notifications when your pet goes out of bounds. The Keybudz PawTag is integrated with Find My alert features that notify you immediately if your pet strays beyond a designated area, making it easy to keep them within safe limits.

Easy Integration with FindMy Feature
Easily find your pet's last location using the FindMy feature on your iPhone. Keybudz PawTag works seamlessly with Apple's FindMy network, allowing you to locate your pet quickly and efficiently with just a tap.
