Baseus iPhone 11 Pro Max Case Ultra-thin Polypropylene - Matt black transparent

Protect your iPhone 11 Pro Max while keeping its design visible. The Baseus Wing Case combines ultra-thin polypropylene with a semi-transparent matte finish for lightweight everyday protection, a comfortable grip and minimal bulk.

- Ultra-thin, lightweight design
- Semi-transparent matte finish
- Fingerprint-resistant surface with added grip
- Durable, yellowing-resistant polypropylene
- Reinforced corners and raised camera protection

Ultra-thin, lightweight design
Keep the familiar feel of your iPhone 11 Pro Max. The Wing Case follows your phone's contours without adding unnecessary bulk, making it comfortable to hold and easy to slip into a pocket.

Semi-transparent matte finish
Let your phone's original design show through. The semi-transparent matte black finish adds a subtle layer of colour while keeping the look of your iPhone visible.

Fingerprint-resistant surface with added grip
Enjoy a more secure hold throughout the day. The textured matte surface adds grip and helps reduce visible fingerprints and smudges, keeping the case looking cleaner with everyday use.

Durable, yellowing-resistant polypropylene
Made from flexible polypropylene, the Wing Case is built to withstand daily handling and resist wear. Its yellowing-resistant material helps preserve the case's appearance over time.

Reinforced corners and raised camera protection
Help protect your phone's back and sides from everyday scratches, scuffs and minor bumps. Reinforced corners add protection where it matters, while the raised camera edge helps keep the lenses from touching flat surfaces when you put your phone down.
