Just Mobile TENC Air for iPhone 14 Plus - Crystal clear

Introducing the Just Mobile TENC Air for iPhone 14 Plus – the ultimate safeguard for your device that doesn't compromise style or function. The Just Mobile TENC Air case is a royal armour that offers premium protection while showcasing your iPhone's design. Perfect for those who appreciate the protection that feels as good as it looks, the Just Mobile TENC Air lets your iPhone 14 Plus take the spotlight.

- Anti-Scratch Hardshell PC Back
- Shockproof Thermoplastic Frame
- Corner Air Cushions
- Wireless Charging Compatibility
- Raised Bezels for Comprehensive Protection

Anti-Scratch Hardshell PC Back
The case boasts a hardshell PC back that resists scratches, keeping your iPhone 14 Plus looking pristine. The crystal-clear design provides a window to your phone's natural elegance while offering the protective shield it requires against daily wear.

Shockproof Thermoplastic Frame
Engineered with a shockproof thermoplastic frame, the Just Mobile TENC Air for iPhone 14 Plus is expertly crafted to absorb shock. This innovative design ensures your device is cushioned against drops and impacts, providing peace of mind with every unexpected tumble.

Corner Air Cushions
Strategically placed corner air cushions act as the first defence against drops. These air cushions are designed to disperse impact, substantially diminishing the risk of damage to your iPhone 14 Plus, even when faced with life's unexpected bumps.

Raised Bezels for Comprehensive Protection
The TENC Air provides superior coverage with raised bezels around the screen and camera. This thoughtful design ensures that neither your screen nor your lenses come into direct contact with surfaces, protecting them from scratches and keeping them as flawless as the day you unboxed your iPhone.

Wireless Charging Compatibility
Enjoy the convenience of wireless charging without any interference. The Just Mobile TENC Air case maintains your iPhone 14 Plus's wireless charging capabilities, meaning you can power up effortlessly and cable-free, even with the case on.
