Premium Italian Leather
We source only the finest top-grain leather from Italy for our Artisan Series. The pebble grain finish not only provides a sophisticated look but also develops a beautiful patina over time, making each case uniquely yours. This premium leather ages gracefully, enhancing its character with daily use.

Rugged Protection
Beneath the luxurious leather exterior lies a tough 4-piece polycarbonate shell. This innovative construction method ensures your AirPods are well-protected against bumps and drops. The precise sensor cut-outs maintain full functionality while keeping your device secure.

Secure Fit with Restickable Adhesive
Our Restickable Secure Adhesive (RSA) is pre-applied to the lid of the case, guaranteeing a long-lasting and secure fit for your AirPods. This feature ensures your device stays in place, providing peace of mind wherever you go.

Versatile Charging Compatibility
