- Camera Bump for Lens Safety
- Ultra Slim and Lightweight Design

Gold Rated Eco Leather
Experience the uniqueness with our case crafted from the highest quality gold-rated Eco leather. This vegetable-tanned leather ensures durability and gracefully ages over time, allowing your case to develop a rich colour and stunning patina. Hailing from the Netherlands, this leather meets the highest environmental standards.

MagSafe Technology
Empower your device with our MagSafe-friendly case, enabling quick and easy wireless charging. Not only does it seamlessly work with MagSafe accessories, but it also comes with machined metal buttons dyed to match the leather colour, optimizing responsiveness.

Raised Leather Bezel for Screen Protection
This case doesn't just protect your phone. It also safeguards your screen with a 1mm raised leather bezel. This detail ensures that your screen remains unscratched even on abrasive surfaces, providing an extra layer of defence.

Camera Bump for Lens Safety
Your phone's camera deserves the same protection as your other device. Our cleverly designed case includes a raised bump around the camera area, ensuring your lenses stay safe and free from wear and tear.

Ultra Slim and Lightweight Design
Protecting your phone doesn't mean adding unnecessary bulk. Our Full Leather Case has a super-slim profile and lightweight design. It's fully wrapped with top-notch leather, maintaining a clean silhouette that adds minimal weight to your bag or pocket.
