Moshi iGlaze for iPhone 15 Pro Max - Meteorite gray

Experience the ultimate convenience, functionality, and stylish protection with the Moshi iGlaze for iPhone 15 Pro Max in Meteorite Grey. This case features a transparent triple-layer fusion technology, alloy lens protector, and buttons in a sleek, ultra-thin design. With full compatibility for wireless charging and magnetic accessories and the ability to switch to a 2-in-1 multi-functional back strap, it's the perfect accessory for the modern iPhone user.

- Transparent Triple-layered Fusion Technology
- Premium Alloy Lens Protector and Buttons
- Fully Compatible with Wireless Charging System and Various Magnetic Accessories
- Ultra-thin and Highly Transparent Design
- It can be used with a 2-in-1 multi-functional backstrap

Transparent Triple-layered Fusion Technology
This design enhancement ensures a perfect enclosure of the magnetic ring, eliminating any risk of detachment. It also promises the pattern will never wear off, serving practical and aesthetic purposes.

Premium Alloy Lens Protector and Buttons
Enjoy the dual benefits of protection and precise alignment courtesy of the alloy lens protector. It guarantees your lens remains in excellent condition without relying on adhesives.

Fully Compatible with Wireless Charging System and Various Magnetic Accessories
Take advantage of the full support for Qi wireless charging systems and Magsafe magnetic accessories. Much more than convenience, it ensures a secure and stable connection, providing a comprehensive and convenient user experience.

Ultra-thin and Highly Transparent Design
Experience handheld comfort with the lightweight and slim design. The high transparency further enhances the aesthetic appeal, perfectly showcasing the original texture and colours of your iPhone 15 Pro Max.

It can be used with a 2-in-1 multi-functional backstrap
Incorporate varying styles to your needs with our interchangeable back strap and wrist strap. Go hands-free effortlessly and carry your phone with more than just style in mind.
