Premium leather with timeless style
Made from premium top-grain Italian leather with a pebbled texture. The black finish gives a sophisticated, professional look that suits any style and setting.

Durable protection behind the elegance
Behind the sophisticated leather surface is a durable four-piece polycarbonate shell that protects your AirPods Pro 3 from everyday bumps and drops - without compromising fit or function.

The pre-applied Restickable Secure Adhesive (RSA) keeps the case in place, while allowing it to be easily removed and reattached when needed. A safe solution that lasts.
