Pipetto iPhone 12/12 Pro Case Shock Absorption - Dark Blue Dark blue

Pipetto Origami Snap Case for iPhone 12 and iPhone 12 Pro with Shock Absorption – Protective Case combines smart design, everyday practicality and long-lasting protection. Designed for people who use their iPhone all day, it gives you hands-free viewing, enhanced drop protection all in a slim case that works perfectly with wireless charging.

- 2-in-1 origami stand for hands-free viewing and calls
- Advanced shock-absorbing bumper for drop protection
- Easy to clean material
- Designed to work perfectly with glass screen protectors and wireless charging
- Slim, premium design that enhances everyday iPhone use

2-in-1 origami stand for hands-free viewing and calls
This case transforms in seconds into two different stand positions, thanks to Pipetto's signature origami design. Use the vertical angle for hands-free FaceTime calls or video meetings, and switch to the horizontal angle for comfortable video watching or browsing on softer surfaces like your bed or sofa. It is designed to make almost any app easier and more comfortable to use without having to hold your phone.

Advanced shock-absorbing bumper for drop protection
The Origami Snap Case features a highly shock-absorbent TPU bumper that wraps around both the edges of your iPhone and the front screen area. This helps to absorb impacts from everyday bumps and accidental drops, giving you peace of mind that both the back and the screen edges of your device are protected.

Easy to clean material
The case is engineered with a premium, easy-to-clean material that keeps your phone looking fresh with minimal effort. Its smooth, resilient surface resists everyday grime and wipes clean in seconds, maintaining a polished appearance no matter how often you handle it. Built to retain its performance for the life of the case, it delivers long-lasting cleanliness and dependable convenience.

Designed to work perfectly with glass screen protectors and wireless charging
The raised edge around the screen is engineered to sit perfectly flush with most glass screen protectors, so you can add extra front protection without creating uncomfortable ridges or snagging points. The case is also fully compatible with both wireless and wired charging, so you never need to remove it to power up your iPhone 12 or iPhone 12 Pro.

Slim, premium design that enhances everyday iPhone use
Despite packing in serious protection and functionality, the Origami Snap Case remains slim and lightweight, preserving the feel and usability of your iPhone. Every detail is considered to make your daily interactions smoother, from comfortable grip and responsive button coverage to the stand functions that enhance how you watch, work and communicate on your device.
