

Introducing the KeyBudz Element Series for AirPods Pro 2 - Forest Green. This robust waterproof case provides ultimate protection for your AirPods while offering convenient features like wireless charging compatibility and a built-in carabiner for easy storage.

- Proper locking
- Soft inside, hard outside
- Water/dustproof and drop protection
- Easy access to the charging and pairing button
- Compatible with wireless charging

Proper Locking

Experience peace of mind with the KeyBudz Element Series. Our case ensures proper locking, keeping your AirPods securely in place even during active use or when dropped. Say goodbye to accidental slips and falls.

Soft Inside, Hard Outside

Combining the best of both worlds, our case features a shock-absorbing elastic material inside and a durable hard plastic shell outside. The soft interior cushions your AirPods while the tough exterior protects against weather elements and wind.

Water/Dustproof and Drop Protection

Never worry about water damage, dust, or accidental drops again. The KeyBudz Element Series offers IP68-rated protection, protecting your AirPods from water, dust, and impact. It's the ultimate shield for your valuable audio companions.

Easy Access to Charging and Pairing Button

Keep your AirPods ready for use at all times. Our case provides easy access to the charging port, allowing you to charge your AirPods without removing them from the case. The specially designed opening also ensures you can easily access the pairing button when needed.

Compatible with Wireless Charging

Experience hassle-free charging with the wireless charging compatibility of the KeyBudz Element Series. Place your AirPods and the case on a wireless charging pad and enjoy convenient and cable-free power replenishment.
