# Just Mobile AluCable Duo 1.5 meter - Silver

Experience unbeatable convenience and style with the Just Mobile AluCable Duo 1.5-meter cable. Engineered to serve all your mobile charging needs, this high-quality cable boasts a versatile design with dual connectors catering to various devices. Its sleek aluminium finish ensures durability while adding a touch of sophistication to your tech ensemble.

- Premium construction with a high aluminium finish
- Dual functionality for charging and syncing
- Universal compatibility with Lightning and micro USB devices
- Hassle-free, tangle-resistant design
- Generous 1.5-meter cable length for user convenience

**Premium Construction with a High Aluminum Finish**
The Just Mobile AluCable Duo isn't just another charging cable. Encased in a high-grade aluminium finish, this cable is designed to withstand the wear and tear of everyday use while maintaining a polished look. Match your stylish gadgets with an accessory that's functional and exudes quality.

**Dual Functionality for Charging and Syncing**
Efficiency meets versatility: the AluCable Duo offers the dual functionality of charging and syncing data between devices. Whether you're updating your music library or backing up photos, this cable facilitates seamless interaction between your devices, all with the simplicity of a single cable.

**Universal Compatibility with Lightning and Micro USB Devices**
Designed conveniently, the AluCable Duo features an entire USB connector on one end, a micro USB cable and an Apple-certified Lightning adapter on the other. This means this cable covers you whether you are a team iPhone or Android or need to power up your sat-navs or other portable gadgets.

**Hassle-Free, Tangle-Resistant Design**
Say goodbye to the frustration of untangling cables. The AluCable Duo is crafted to be tangle-resistant, ensuring a smooth, ready-to-use experience every time. Its thoughtful design lets you focus more on your tasks and less on untangling knots.

**Generous 1.5-meter Cable Length for User Convenience**
The 1.5-meter length of the AluCable Duo is tailored to provide ample freedom. It ensures that you're not tethered too close to the power outlet, allowing you to enjoy the flexibility of using your device comfortably while it's connected, whether you're at home, in the office, or in the car.
