Turn any room into a sing-along stage or storytelling studio. myFirst Voice 2 blends a kid-friendly microphone with a powerful portable speaker, delivering ultra-clear sound, fun voice effects, and simple controls. It's the easy way to spark creativity at parties, family nights, and everyday play.

- Wireless playback with Bluetooth, Micro SD, and AUX
- 5 dynamic voice-changing effects
- Echo enhancer with voice and reverb control
- Immersive, ultra-clear audio with vibration bass
- Compact, portable, and perfect for karaoke fun

Wireless playback with Bluetooth, Micro SD, and AUX

Play music your way. Connect instantly via Bluetooth to your phone or computer for a wireless speaker experience, pop in a Micro SD card for on-the-go playlists, or use the AUX input when you want a quick plug-and-play setup. Versatile inputs make it easy to bring the soundtrack to any occasion.

5 dynamic voice-changing effects

Let little stars explore big sounds. Choose from five playful voice filters to add character to songs, stories, and performances. From silly to dramatic, voice modes turn everyday moments into memorable shows and help build confidence on the mic.

Echo enhancer with voice and reverb control

Fine-tune your sound like a pro. Adjust voice levels, dial in reverb, and activate the echo enhancer to add depth and richness. These simple, kid-friendly controls help every performance shine—clear, balanced, and just the way they like it.

Immersive, ultra-clear audio with vibration bass

Feel the beat and hear every detail. Special vibration bass technology delivers deeper, richer lows while maintaining crisp vocals for a captivating listening experience. Whether it's karaoke night or story time, the sound stays powerful and clear.

Compact, portable, and perfect for karaoke fun

Designed for small hands and big imaginations, myFirst Voice 2 is easy to carry and built for everyday play. Bring it to parties, sleepovers, or family gatherings—set up is quick, and the fun starts right away with the included microphone.
